RE: Our File 582-765 Great Britain
Your Ref. PM No. 588

Dear Les:

We have received a further report from our agent in Great Britain concerning the above application and a new Official Letter that has issued therein. We enclose a copy of our agent's reporting letter, a copy of the Official Letter and a copy of the newly cited reference, British patent 282,369.

We would like to have your comments concerning the questions raised in paragraphs 2 and 3 of the agent's reporting letter, and desirably, we would like to have those comments not later than August 1, 1976.

Very truly yours,

George J. Brandt, Jr.
